90 DAY VIRTUAL TEAM JOURNEY

In our tough times every leader realizes that they need to develop resilient teams. The question is, how do you do that?

Based on developing thousands of elite teams over a 27 year period we have created a powerful and dynamic virtual team journey to ensure your team is able to operate and deliver in mission critical situations.

Using the tried, tested and proven wabisugi methodology we have created a virtual journey to enable you to take your team to the next level. The journey is bespoke and we will spend time before the journey starts to fully understand your business, vision, team maturity and desires.

90 DAY VIRTUAL TEAM JOURNEY

Outputs: As well as a great way to show you really care for your team, the journey is also a fantastic team development activity that ensures you get:

MORE

- ▲ Energy
- ▲ Clarity
- ▲ Endurance
- ▲ Vitality
- ▲ Effective decision-making
- ▲ Accountability
- ▲ Engagement
- ▲ Team performance and pace
- ▲ Support for each other

LESS

- ▼ Stress
- ▼ Conflict
- ▼ Overwhelm
- ▼ Burnout
- ▼ Worry
- ▼ Reliance of the leader
- ▼ In fighting
- ▼ Individualistic ways of working
- ▼ Lack of decision-making

We've decoded resilience for you, making it easier to understand and faster to learn.

At the heart of the wabisugi journey is a powerful model that has been tried, tested and proven to deliver extraordinary results. Having a visual framework helps your team to conceptualise all the elements of resilience, join the dots and work on the right areas for them to boost performance.
